

**Address:** Baumgärtli 203, CH-3087, Niedermuhlern, Switzerland  
**Email:** mdawes44@gmail.com  
**Website:** <http://melissa.dawes.work>  
**Date of Birth:** 21 September 1982  
**Citizenship:** United States of America  
**Marital Status:** married (maiden name: Melissa Martin), two children  
**ORCID ID:** 0000-0003-4919-0151

## Education

---

Ph.D. 2010 Plant Ecology, Botanical Institute, University of Basel (Basel, Switzerland) – *Summa cum laude*  
M.Sc. 2007 Ecosystem Science, College of Forest Resources, University of Washington (Seattle, WA, USA)  
M.L.A. 2007 Landscape Architecture, College of Built Environments, University of Washington (Seattle, WA)  
B.Sc. 2003 Ecology and Evolutionary Biology, University of Michigan (Ann Arbor, MI, USA) – *Summa cum laude*

## Professional Experience

---

- 2014–present Scientific English freelance editor (self-employed status starting Nov 2017)
- Substantive and copy editing of manuscripts (including cover letters and reviewer responses), reports, (three) books, and websites in a range of environmental fields including ecology, biogeochemistry, microbiology, botany, forestry, geography, engineering, landscape planning, and snow and climate science (see <http://www.scientific-editing.ch/> for a list of recent work)
  - Editing of approx. 230 papers written by scientists at WSL and other ETH Domain institutions, as well the WSL Development Plans for 2017–2020 and 2021–2024.
  - Copy editing of Chapter 3 *Impacts of 1.5°C Global Warming on Natural and Human Systems* in a recent IPCC Special Report.
- 2014–2017 Research scientist, Swiss Federal Institute for Forest, Snow and Landscape Research – WSL (Birmensdorf, Switzerland). 50% position
- *Forest Soils and Biogeochemistry*. Carbon, nitrogen and water dynamics in Swiss ecosystems in the face of global environmental change; treeline patterns along a latitudinal gradient in the Ural mountains, Russia.
  - *Ecophysiology*. Tree water relations in forest ecosystems throughout Switzerland.
- 2010–2014 Postdoctoral researcher, WSL Institute for Snow and Avalanche Research – SLF (Davos, Switzerland). *Mountain forests and alpine ecosystems*.
- Ecological research and project management for a global change experiment at the alpine treeline.
  - Statistical analysis and botanical field work for a study about changes in floral biodiversity on over 100 mountain summits in the Swiss Alps.
  - Integration of data and related metadata from experiments throughout Switzerland into an online platform for collaborative data management (now WSL's data portal [www.envidat.ch](http://www.envidat.ch))
- 2007–2010 PhD dissertation research, University of Basel Botanical Institute and WSL Institute for Snow and Avalanche Research – SLF (Davos, Switzerland).
- *Dissertation*: Plant responses to long-term *in situ* CO<sub>2</sub> enrichment and soil warming at treeline in the Swiss Alps
- 2004–2007 Ecophysiology and Landscape Architecture Master's thesis research, University of Washington (Seattle, WA, USA).
- *M.Sc. thesis*: Native plant performance on a Seattle green roof
  - *M.L.A. thesis*: Green Roofs in the Pacific Northwest: region-specific considerations for native plant performance

### Funding, Awards and Scholarships

---

2014	Swiss Confederation COST Action SENFOR (ES1203). <i>Alpine treelines in a warmer world: synthesis of a nine-year CO<sub>2</sub> enrichment and six-year soil heating experiment</i> . Project C14.0037. CHF 162,230
2011	WSL Internal Grant. <i>Seizing the treasure: final harvest of the Stillberg CO<sub>2</sub> x warming experiment (and beyond)</i> . CHF 119,100
2011	PhD Dissertation Award of the Ecological Society of Germany, Austria and Switzerland (GfÖ). €1500
2008	Honour Award for Master's thesis, Washington Chapter American Society of Landscape Architects
2006–2007	Byron and Alice Lockwood, Stanley Gessel, and Riffe Family Endowed Scholarships, University of Washington, College of Forest Resources
2006	Honour Award for group project: Envisioning Seattle's green infrastructure for the next century, Washington Chapter American Society of Landscape Architects
2005–2006	Jay Bee Memorial and Matsutaro Kawaguchi Endowed Scholarships, University of Washington, Department of Landscape Architecture
2000–2003	Richard and Susan Rogel Scholarship, University of Michigan
2000–2003	James B. Angell Scholar, University of Michigan
2001	William J. Branstrom Freshman Prize, University of Michigan

### International Scientific Meetings (*published abstracts & oral presentations*)

---

2015	Global Change and the World's Mountains, Mountain Research Initiative Conference, Perth, UK.
2014	Ecological Society of America Annual Meeting, Sacramento, CA, USA.
2013	Clim Tree 2013, Zürich, Switzerland.
2013	European Geosciences Union Annual Meeting, Vienna, Austria.
2011	Ecological Society of Germany, Austria and Switzerland Annual Meeting, Oldenburg, Germany. (invited presentation during award ceremony)
2011	Ecological Society of America Annual Meeting, Austin, TX, USA.
2010	Global Change and the World's Mountains, Mountain Research Initiative Conference, Perth, UK.
2009	British Ecological Society Annual Meeting, Hatfield, UK.
2009	Ecological Society of America Annual Meeting, Albuquerque, NM, USA.
2008 & 2009	Swiss Global Change Day, Bern, Switzerland.
2007	Greening Rooftops for Sustainable Communities Conference, Minneapolis, MN, USA.

### Additional Professional Activities and Skills

---

*Peer reviews:* Annals of Botany; Arctic, Antarctic & Alpine Research; American Journal of Botany; Biology Letters; Ecology; Ecology and Evolution; Forest Ecology and Management; Functional Ecology; Journal of Biogeography; Journal of Ecology; Plant Ecology and Diversity; Oecologia; Oikos; Plant Science; PLOS ONE; Proceedings of the National Academy of Science

*Computer skills:* R; SigmaPlot; ArcGIS (basic); Adobe and Microsoft products

*Languages:* English (native speaker); German (level B1); French (basic)

*Outdoor pursuits:* cycling, running, alpine and Nordic skiing, backpacking and rock climbing

## ISI Publications
